# Christ Church Easton, CT

## Christ Church Easton is an inclusive Episcopal community

We welcome all of God's people with a spirit of love and hospitality. We are a child-friendly congregation that reserves a space and activity center in the rear of the church and we enjoy the sounds of children's voices. Monthly, we host family services where children are encouraged to take part .

We welcome everyone's gifts of leadership, service, and spirit.

## MISSION DRIVEN

On the night before he died, Jesus said, "I give you a new commandment, to love one another as I have loved you. "

At Christ Church, we take that commandment as our guiding mantra. Whether it means :

- collecting diapers for needy young families,
- providing gift cards for the food insecure,
- cooking and serving dinners in Bridgeport with a neighboring church,
- collecting for Christmas presents for the children of Cheyenne River Episcopal Mission in South Dakota, or
- hosting a square dance with the Bridgeport Rescue Mission.

We know our job is to be the hands and feet of Jesus to our communities in need.

## SPECIAL EVENTS

**Blessing of the Animals**—Each year in October, around the Feast of St. Francis, we hold a special service to bless the animals that have blessed our lives with their unconditional love. Dogs, cats, hamsters, fish, and stuffed animals are welcome in our pews.

**Free Spirit Lady in White 5K**—With the help of Easton's Park and Rec, we co-host a 5K race on Halloween Weekend to benefit the Easton Cemetery Committee and the missions of Christ Church.

**Christmas Tree Lighting**—On the first Saturday in December, we invite all of our neighbors to a Christmas Tree lighting, bonfire, and carol sing.

**Easter Sunday**—Our service ends with a delightful children's Easter Egg hunt.
